& ISA City Chapter, Shivamogga

Venue

Auditorium, 1st Floor
Shimoga Institute of Medical Sciences

Oct 30 – Nov 1, 2026

Shimoga Institute of Medical Sciences (SIMS)
Shivamogga, Karnataka

Invitation

Welcome Message

A warm invitation to join us in Shivamogga

Pranams and Warm Greetings,

It gives us great pleasure to welcome you to the **19th Annual National Conference of Obstetric Anaesthesiologists**, proudly hosted by the Department of Anaesthesiology, SIMS and the ISA City Chapter, Shivamogga. The conference will be held at the Shimoga Institute of Medical Sciences, located in the serene, culturally rich city and gateway of the western ghats, Shivamogga, Karnataka.

> Despite advances in the medical field, a significant gap exists between urban and rural perioperative maternal care, contributing to maternal deaths in India. This year's theme highlights the vital need for **equitable, evidence-based, and safe obstetric anaesthesia** services across diverse healthcare settings.

This prestigious gathering brings together experts, practitioners, and learners in the field of obstetric anaesthesia to share knowledge, discuss advances, and explore innovations that continue to shape safe motherhood and perioperative care. The conference promises a vibrant academic program featuring distinguished speakers, interactive sessions, hands-on workshops, and opportunities to engage with peers from across the region and beyond.

Set amidst the lush landscapes of Karnataka, Shivamogga offers the perfect backdrop for academic exchange and rejuvenation. Together, let us work towards narrowing the urban–rural gap and shaping safe motherhood everywhere.

Warm regards,
The Organising Committee, AOACON 2026
Department of Anaesthesiology, Shimoga Institute of Medical Sciences (SIMS)
& ISA City Chapter, Shivamogga

What to Expect

Conference Highlights

A rich, multi-format academic programme designed to empower practitioners, foster meaningful discourse, and advance the standards of safe obstetric anaesthesia across all care settings

01

AOA-Certified Course in Obstetric Critical Care

An exclusive two-day workshop designed to empower practitioners with the clinical skills necessary to manage high-risk obstetric cases in perioperative setups. Intensive, hands-on, and AOA certified, held on 29th & 30th October 2026, prior to the main conference.

29 – 30 Oct 2026 · Practitioners Only

02

Pre-Conference Workshops

Choose from our skill-oriented, hands-on workshop sessions conducted prior to the main conference - spanning **Labour Analgesia, Critical Obstetric Incidences, and POCUS in Obstetrics,** each focusing on practical training, updated protocols, and real-life clinical scenarios for maximum clinical takeaway.

Hands-on · Updated Protocols · Clinical Scenarios

03

Lectures, Debates & Panel Discussions

Engaging sessions with esteemed national and international faculty, bringing vast clinical experience, academic excellence, and global perspectives in obstetric anaesthesia and critical care. Thought-provoking debates designed to challenge and refine practice.

National & International Faculty · Interactive Format

04

Live Master Classes from Experts

Interactive live master classes featuring expert demonstrations, advanced techniques, and case-based discussions to enhance practical understanding and sharpen clinical decision-making across complex obstetric scenarios.

Live Demos · Case-Based · Advanced Techniques

05

Attractive Competitions for Delegates

Engage in a series of stimulating academic and clinical competitions held throughout the conference, designed to challenge your knowledge and clinical acumen. From quizzes to case presentations and video competitions, participate, excel, and win attractive prizes.

Clinical Competitions · Win Attractive Prizes
